

Final Information & Equipment List

We will be leaving The Venue Car Park, Elstree Way, Borehamwood at **8am on Saturday 23rd October**.

We will be travelling directly to our cycling/walking activity, so please ensure that suitable trousers and footwear are worn for cycling/walking and the journey. The scout shirt and neckerchief should be worn over a t-shirt to allow for changing on arrival.

The Scouts/Explorers will need to bring waterproofs, gloves, sweatshirt, a drink and a packed lunch in a **small bag** that they will take on the minibus/car. Other equipment should be packed in **holdall** and will be in the trailer until the evening.

Please ensure that your child has warm, weather/wind proof clothing, including hat and gloves.

Warm Wear A number of layers is warmer than one thick one and the warmth can be regulated more easily - do not forget your hands and head.

Activities We are staying in indoor accommodation, but will be doing several activities outside which could be wet and muddy. Please allow for this by packing clothing which will not be damaged by mud and allow for extra changes of clothes.

Luggage We have limited luggage space in the vehicles. Please do not use over-size suitcases, or pack items such as skate boards, which cannot be used
